FOREWORD

IT has been our purpose to depict in our yearbook all phases of life in Galt Union High School Our hope is that it will always bring happy memories of your friends and work at Galt High.

IN appreciation of his pleasant companionship in classes and helpfulness at all times, we, the Seniors of 1940, dedicate our Hi-Lights to our friend and teacher, Mr. Laurence E. Littleton.

STUDIES

THE PRINCIPAL

THE class of 1940 is the largest ever to graduate from Galt Joint Union High School. Possession of balance in leadership, participation in activities, sound scholarship, the ability to cooperate, and a desire to put school before self, characterizes the class.

I feel that the members will succeed in life as good citizens, economic independents, and as leaders among their fellow men. There is no doubt that this group will uphold the finest traditions of the Galt Joint Union High School, and I, personally, am proud to have had a hand in shaping the destinies of its members.

THE BOARD OF TRUSTEES

Miss Hargis

THE Board of Trustees' job is to form the general policies of the school and to sanction expenditures of the district.

In the past year the Board has sponsored several improvements for the school. In October a combination phonograph, public address system, and motion picture projector machine was purchased. This group next authorized the order of new uniforms for the fifty-eight members of the band. The purchase of two new busses to replace old ones brought our transportation facilities up to a high standard. The music department has augmented its school-owned musical equipment with an oboe, bassoon, flute, French horn, and sousaphone.

The members of the Board of Trustees are: Mr. Robert Nichols, president; Mr. Fred W. Wing, clerk; Mr. Claud C. Wood; Mr. Egbert Morse; and Mr. John T. Kenefick.

Miss Jane Hargis has been secretary to the Board of Trustees for the last two years, as well as secretary to the principal.

THE STUDENT COUNCIL

The Student Council is made up of eleven members whose duty it is to help govern the school in various ways.

This year the Council has been very active. They have sponsored five dances, all of which were successful, and a card party on which they cleared \$201. When the new uniforms were purchased for the band, the council paid one-third or \$300. They have taken care of the financial phase of all football, basketball, and baseball games.

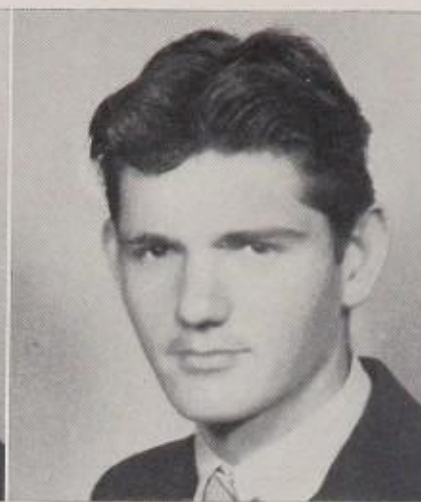

Many good assemblies have been given this year. Some of the most outstanding ones were:

- November 10 Pierce Knox, blind Xylophone player.
- January 8 Julian Oliver, Spanish Metropolitan Opera Singer.
- February 9 Orrin Denny, the African explorer.
- March 14 J. E. Armstrong, speaker.
- March 29 Coach A. A. Stagg, Coach at the College of Pacific.

The Council has considered having a provision put in the constitution to set up a group of qualifications regarding grade averages for all student council members.

"This has been the most cooperative and best Student Council we have had for some time," says Mr. Taylor, principal of Galt High School.

THE HI LIGHTS

The following members of this annual staff have worked their hardest and tried their best to make this book a worthy reminder of the year of 1939-40.

Snapshot Editor	J. Nishida

Throughout the book the art editor has contributed pictures of different views of the school buildings and grounds. The business managers spent several days getting ads in order that this book could be printed without using the Student Body's money. The pictures and write-ups were assembled by the various editors and placed on their respective pages. The members of the staff worked earnestly to include in the book all phases of school life.

To the people who contributed ads and snapshots we express our genuine appreciation.

Miss Wright, in speaking of her staff this year, said, "I have sincerely enjoyed working with this group of seniors. They have shown initiative, cooperation, enthusiasm, and effort."

THE GIRLS' ATHLETIC ASSOCIATION

The G. A. A. is a club open only to girls who are active in athletics, and who have been on two or more winning teams in major sports.

A two-court basketball game was played with the Rolling Pin Girls of Stockton in February. Galt lost the exciting game, 44-14. The players who participated were: guards—Edna Peters, Emma Kraft, Doris Johnson, Florence Gudel, and Jennie Adolf; forwards—Eleanor Saner, Grace Saner, Florence Rath, Claire Pinkham, and Ione Konrad.

After basketball season Emma Kraft and Elma Heinrich joined the club. The initiation was held April 2 in the cafeteria following a pot-luck supper. Several of the girls attended a Play Day in Elk Grove on Saturday, April 13.

The officers of this club are: Dorothy Lavagnino, president; Grace Saner, vice-president; Emogene Cota, secretary-treasurer, first semester, and Eleanor Saner, secretary-treasurer, second semester.

Miss McCullough said of this club: "Its purpose is to give the girls something to look forward to as a reward for their achievement in athletics."

THE GERMAN CLUB

This is the only foreign language club in the school. Although German is not spoken exclusively during the meetings, all students must have a "B" average before they can join the club.

At the beginning of the school term the club officers drew up a constitution in place of the one that was lost. It was voted upon and immediately put into effect.

Lawrence Radke was elected the song leader in December.

In January a party was held in the cafeteria with these five new members being initiated: E. Jack, L. Seibel, D. Ladd, J. Ishizuka, and H. Stamp. "Wink 'Em" and the singing of German songs constituted the entertainment before refreshments were served.

Monthly meetings were held throughout the year.

A deficit in the German Club was finally overcome by a candy sale in November and a camera, cake, and candy raffle on April 24.

The club attended a weiner roast at Lodi Lake, May 15, concluding that occasion with the election of the officers for the next year.

Club officers are: F. Gudel, president; W. Barber, vice-president; I. Konrad, secretary-treasurer; and L. Radke, song leader.

When asked what she thought of this club, Miss Learned stated: "The German Club not only offers an opportunity for students to develop latent qualities of leadership, but also stimulates in its members a desire to become more familiar with Germany's rich culture."

THE HONOR SOCIETY

"Scholarship For Service" is the motto of the Galt High School Honor Society, a member of the California Scholarship Federation.

The honorable position of being sealbearer of the organization for this year belongs to Margie Price. To be a seal bearer a person is required to be in the Honor Society six semesters including one semester in the senior year.

The first problem confronting the old members, when they came back in the fall, was the initiation of a new member. After the initiation, which was held in October, the club consisted of the the following members: John Lakey, president; Henrietta Schmidt, vice-president; Gloria Cooley, secretary; Johnny Ishizuka, treasurer; Margie Price, torchbearer; and Dolores Konrad.

To meet the financial problem, they raised money by selling magazine subscriptions and by holding a camera raffle.

In the second semester they bade farewell to three of their old members and welcomed one new member, Emma Kraft. On March 12, the initiation and election were held in Miss Provines' apartment, the officers being elected as follows: Ione Konrad, president; Doris Johnson, vice-president; Winona Barber, secretary; Margie Price, treasurer; Emma Kraft, torchbearer; and Dolores Konrad.

Several from this society attended the California Scholarship Federation Convention of the Northern Division held at Marysville on April 27. The official delegates, however, were Winona Barber and Ione Konrad.

Other activities of the year included a camera raffle and an Honor Society Day. When Miss Provines spoke of the Honor Society she said, "Life members or sealbearers of the Galt Honor Society, who have gone to college, have maintained a very high average."

THE GIRLS' LEAGUE

Under the outstanding leadership of Winona Barber, the Girls' League has had a very successful year. A new system for entertainment at the meetings, which are held on the second Thursday of each month, has made the occasions more interesting. An entertainment box, in which are the names of all the girls in the school, is used. At each meeting 12 to 15 names are drawn out of the box. The girls whose names are drawn furnish the entertainment for the next meeting.

To begin the year a freshman reception party was given. Each freshman had her "big sister" who sat with her during the party. On February 10, a Valentine Party with the "Half-and-Half" theme was held in the cafeteria. All the girls dressed half one way and half another way. Their mothers and sisters were invited, everybody received a comic valentine, and prizes were awarded. A baseball dance was sponsored on April 12 in the gymnasium, which was decorated according to the baseball theme. To end the term the annual Mothers' Tea was held and new officers were installed.

The entire Girls' League wishes to thank Miss Wright for the club's song which she composed. The song is written to the tune of "There's a Long, Long Trail A'Winding," and is as follows.

*There's a league in our Galt High School
To which we girls all are true,
Where the bond of honest friendship
Binds both old and new;
Here are living, lasting memories
Of little sisters we've found,
Of our big sisters leading
Come, join hands all around.*

THE FUTURE FARMERS OF AMERICA

THE CAMERA CLUB

The Camera Club, which started rather late in the fall due to so many other activities, is a new organization in our high school.

This club meets about once every two weeks, and during these meetings works on printing and developing pictures taken by various students.

Color slides of the United States, including many pictures of scenic parts of the three western states, were shown by Mr. Fraser, the adviser.

Several field trips were taken later in the spring. The club hopes to continue having interesting meetings next semester taking up more related subjects of photography.

Like all other clubs, the Camera Club was confronted with the problem of drawing up a constitution. Lawrence Radke, the president, with the aid of Mr. Fraser, drew up a constitution which was unanimously accepted by the club. Edna Peters is secretary-treasurer of this new organization.

A number of the pictures for this annual were taken by Mr. Fraser.

Peggy Hall and Ernestine DeFord had charge of a picture sale to raise money for the club. The pictures were those taken by Mr. Fraser of football and basketball players, and others taken by club members of scenes around the school.

Mr. Fraser says, "The Camera Club has cooperated well, and the members seem to have been very interested in photography work."

THE BETTY LAMP CLUB

The new year began with the initiation of seven new members on September 6, at which time we played hostess to the Lodi Beta Lambda girls.

The officers for this term were elected at the end of last year. They are: president, Maxine Hamel; vice president, Eleanor Saner; secretary, Dorothy Hirtel; treasurer, Lochie Freeman; adviser, Mrs. Sobey.

In order to raise money for their picture in the annual, a cake sale and candy sale were held.

Twelve Betty Lamp members attended the carnival given by the Beta Lambda girls of Lodi.

The annual Christmas shopping trip to Sacramento was held on December 16.

The Betty Lamp girls aided with the annual Spring Style Show which was held March 14. Winners in the cotton division were: first prize, Florence Rath; second, Dorothy Reneau; third, Betty Nishida; fourth, Ernestine DeFord; fifth, Jessie Spears; sixth, Teruko Yakushiji; honorable mention: Vera Hendrickson. In the silk division Gloria Ferreira was awarded first prize and Eleanor Saner second.

The set for the Style Show was a Spanish Mission, in keeping with the Easter season. It was designed and painted by Bill Richardson. The outstanding numbers on the program were presented by the A Cappella Choir from the College of Pacific.

On April 19, the girls attended a show in Lodi and then enjoyed a chow mein feed. Besides its social functions, the club has as its purpose that of assisting with any school activities in which sewing needs to be done.

Mrs. Sobey states, "They are a fine group of girls and are 100 per cent in cooperation, courtesy, loyalty, and high ideals."

Editor, G. Bader; News, E. Kraft; Sports, B. Sofye and F. Gudel; Features, D. Johnson; Personals, L. Freeman and J. Nishida; Exchanges, M. Seibel; Art, I. Konrad and J. Jones; Correspondent, R. The Galtonian takes two weeks to publish. In the first week the English IV class have their special assignments, which should all be handed in to Miss Wright by Friday.

On Monday and Tuesday of the second week, the Office Training Class starts where the others left off by typing the material into 33-space columns of rough copy. On Wednesday and Thursday, the stencils are cut on the typewriters and stylus, and 265 copies of each run off on the mimeograph. The paper is clipped and distributed throughout the school on Friday.

THE MASK AND DAGGER

This club is made up of students who have participated in plays during their school years.

One of the first activities of the year consisted of an initiation party held in the cafeteria. The six new members were: E. DeFord, G. Bader, R. Palmer, M. Evers, and D. Lavagnino. These students took part in the Student Body play, "The Good Bad Man."

On January 23, a candy sale was sponsored.

An initiation held after the play, "Hollywood Bound," introduced six new members: E. Kraft, M. Price, D. Johnson, E. Saner, I. Konrad, M. Hamel.

The officers of the club are: R. Genasci, president; L. Ladd, vice-president; E. Cota, secretary; W. Barber, treasurer.

Other members who remained from the year before are: B. Pearson, B. Miller, B. Richardson, L. Freeman, L. Radke, O. Wegat and J. Gribaudo.

Miss McCullough gives as her opinion: "The Mask and Dagger is very necessary in every high school as it creates interest in dramatics and gives the students a goal to achieve as a result of their participation in plays."

First Home
of
Galt Union
High School

The Galt Union High School district was organized October 20, 1911. School was held until 1913 in a two-story house owned by Mr. C. McKenzie and located on the corner of 5th and A streets in Galt.

The cornerstone of a new building was laid Saturday, April 12, 1913. On June 28, 1924, a fire of unknown origin destroyed this building. The gymnasium and farm mechanics shop, however, were saved.

School opened in September, 1924, in temporary buildings which served until the autumn of 1927.

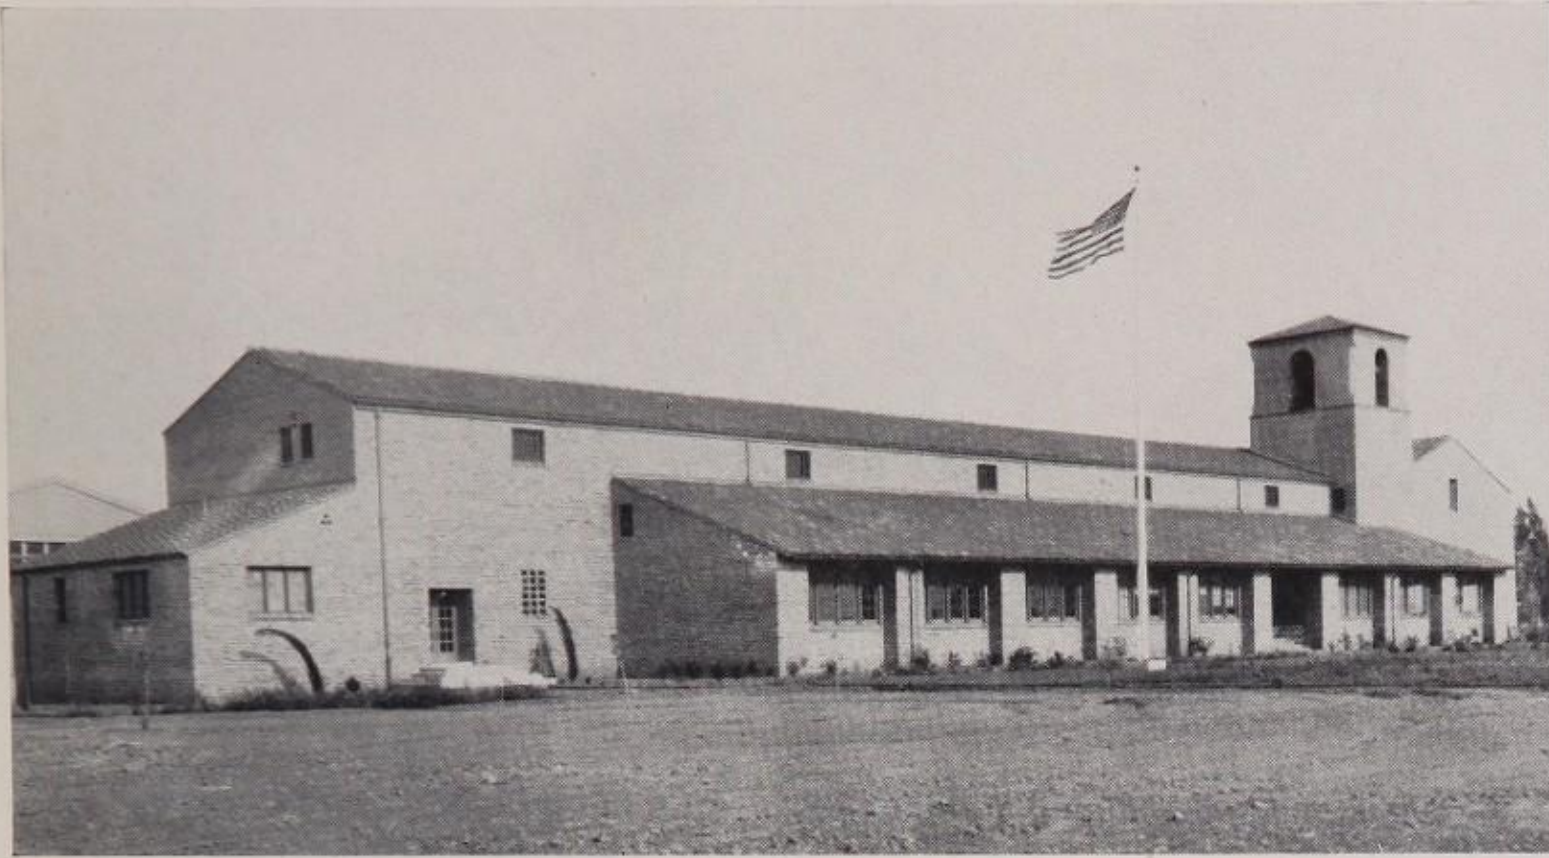

A new building was completed in 1927 and was dedicated February 8, 1928. The architects for this building were Dean & Dean of Sacramento.

The first graduating class, that of 1913, had only one member, Miss Katherine Reynolds, now a teacher in the San Francisco schools. This year's class of 1940, having 48 seniors, is the largest ever to graduate from Galt High School.

Another interesting comparison has to do with the growth of the faculty and the student body. In 1919 there were 6 teachers and 53 students. Now, in 1940, there are 13 teachers and a student body of 296.

The physical plant today is modern and beautifully landscaped. Included in the main building are comfortable class rooms, a well-equipped cafeteria, complete laboratories for the Science, Homemaking, and Commercial classes, a library stocked with good books for reading and reference, a nicely furnished girls' locker room and lounge, an auditorium seating approximately 500 people, and a modern motion picture and public address system. To take care of the agriculture classes, a modern agriculture building was completed in 1938, and there is also a shop with equipment for wood and metal working. A large gymnasium, bus garage, tennis court, and three athletic fields to accommodate softball, football, baseball, and track, complete this phase of the picture. Still another advantage enjoyed by students today is the free bus service to and from school. Prior to 1924, students furnished their own transportation, but now four up-to-date busses cover routes into all these districts: Galt Grammar, Liberty, Herald, Colony, New Hope, Oak View, Twin Cities, Laguna, Arno, and Mokelumne.
